

# FOYER GROUPS

## Church of Ascension's Social and Dinner Program!

### Ascension's Foyer Groups are for all who are interested in:

Developing new friendships. . . . .Renewing and deepening old friendships  
Spending social time with those you don't see frequently. . . .Making our large parish seem smaller and warmer

### Who are the Foyer Groups designed for?

All couples and singles – young to old – who wish to bring into their lives  
new or deeper friendships with other members of the Ascension family!

### How will the Foyer Groups work?

- Small groups of about 8 people will be randomly formed by the Foyer Group Committee – each group may have people from different circles of our church community and in varying phases of life
- Each group will meet monthly for a dinner and fellowship -- with each group setting its own schedule for monthly get-togethers
- There will be no agenda at each gathering – other than having fun, getting to know one another in a casual setting, and informally exchanging experiences and ideas
- Members take turns hosting the monthly get-together of their group – in their home or at a local restaurant (dutch treat) or other setting
- Normally the host for a given month will serve drinks and the main dish, with everyone else bringing appetizers, side dishes, or dessert
- While each member of the group should try and attend each monthly get-together, it is likely that not everyone will be able to attend every gathering
- The groups will meet from October/November to April/May (with most groups taking off the month of December), new groups will be formed the following October
- When new Groups are in October – you can join for the first time, you can continue participating in a new group, or you can decide not to continue.

### How to participate in Foyer Groups    October-April/May    2014-2015
